

QUINTA DO COBRAL PET POLICY

Our animals are part of our family and we would never be without them so we understand how good it is to find somewhere that welcomes your animals as part of your family too. Like you, we always look for a holiday cottage that is as welcoming for dogs/cats/pets as it is for people.

We have a lovely river, great for doggy swims, please do not allow your dog in our swimming pool at anytime. There are kilometres of great walking tracks around us and we can provide you with maps, you need never cross a tarmac road. It is a dog paradise here!

Currently we do not charge for pets and we hope that we can continue this policy if guests follow these simple common-sense rules:

- Pets staying with us must be healthy and have up to date vaccinations
- Pets must be tick and flea free
- Pets must be kept under control at all times
- Dogs cannot be left in the house unless a pet crate is used
- Guests are responsible for cleaning up after their dog (biodegradable bags are provided under the sink - please place filled bags in the outdoor refuse bin)
- Dogs are not allowed on the guest beds or furniture at any time, please bring your own dog bed. We understand that many pets are used to being allowed on furniture and beds in their own homes but (as we have other people visiting and using the facilities) this is not allowed here.
- As responsible pet owners, guests agree to accept full and complete responsibility for any personal injury, injury to our animals or property damage caused while staying with us.
- Guests understand that Quinta do Cobral will charge accordingly for the repair of any damages, additional cleaning requirements or flea treatment needed caused by the pets presence or behaviour.

Our experience with being pet friendly has been very positive, we have made many new friends and so have our animals over the years. We really want to remain pet friendly as we understand how difficult it is to go on holiday with a pet, however, we retain the right to ask you to leave if you don't respect our wishes or your pets cause damage or are excessively aggressive towards our animals.

Feel free to contact us by email - info@quintadocobral.com or telephone 00351 927057286 if you have any questions or concerns about our pet policy or anything else pet related, we are eager to help you to make your stay with your pet as comfortable and enjoyable as possible.
